

Everyone deserves a safe place to call home

This is Gertrude. She lives in her Habitat home in Makalulu, Zambia, with her twin daughters, Naomi and Ruth.

Like many women in Zambia and around the world, Gertrude has struggled to give her daughters a safe & secure place to grow.

Every day, Habitat for Humanity works beside families to build, renovate or repair their home in 70 countries around the world.

This Christmas- be a part of this life-changing work & raise funds so that others like Gertrude, Ruth & Naomi have a decent place to call home.
